Section 13--Session Time Extended

(a) The Executive Council voted to call the 1980 Session in August, beginning on the 22nd day of August to the 30th day of August. The delegates and card-holding voters, however, saw a need of extending the session time beyond August 30, in order to finish the compilation of all the by-laws from 1970 to 1980, as well as other business. As a result, on August 28, 1980, Brother Don Adair motioned, Brother Queenland seconded it, and it was unanimously passed that the 1980 Session should be extended from August 30 to September 5, 1980.

All the above foregoing by-laws under "ARTICLE I--SESSIONS," were discussed in the August 27, 1980 business meeting, and it was motioned by Brother Queenland, seconded by Brother Adair, and unanimously passed that these by-laws be accepted by the 1980 Session.
