Such independent ones will continue to question and criticize everything in which they themselves have no part. So regardless of their profession, of what they think or say, they are not God's people. His real people, He declares, are able to take orders even from women and children. God's people take orders from anyone whom God appoints because they walk in the light of the Lord, not in the sparks of men. He plainly states that those who now rule over them, are causing His people to err, and are destroying the way of their right path!"

C. election of the new council members will be decided on as soon as above members respond to these newsletter.  
D. It was also voted that officers should be residing at the headquarters or its vicinity to be able to do the work that they are appointed.

the last headquarters before the kingdom is established. This has been God headquarters since 1935 and still is the headquarters to the present.

ITEM # 5 PURCHASE OF PRESENT HEADQUARTERS

The treasurer Sis. Blount had requested the Federals ( present mortgage holder ) to carry the associations mortgage for another year, due to the fact that we cannot get another mortgage at this time. Present mortgage contract expires on September 1, 1990. The treasurer is waiting for response from mortgage holder. Financial report by the treasurer had been requested in the meeting to be typed up and copies given to all active members-- first and second tithe payers.

Let us not forget 1TG 16:31 "Countless are the wonders of God's mighty power all through the ages. All these deliverances, and many others were absolutely impossible with men, but very much possible with God. These mighty miracles bring us face to face with the fact that God is in the business of making "possibles" out of discordant "impossibles." Therefore, "let your hands be strong, ye that hear in these days these words" of the Lord.
