Along with this anniversary issue of the Symbolic Code we are inclosing Timely Greetings, Vol. 2, No. 29 as the Timely Greetings of the month.

With a year of valuable experience behind us and a year of Symbolic Code publications at our service it would not only be appropriate but profitable that each Davidian join in "A MONTH OF SYSTEMATIC CODE STUDY"---setting aside some time everyday to review and re-study the past year's Codes.

Every word of our Message is a savor of life unto life or death unto death. The destinies of precious souls are hanging in the balance. "...If the Lord be God, follow Him: but if Baal, then follow him."--1 Kings 18:21.

"Even though the enemies of Truth may resort to every perfidy to harm the cause, yet Truth always triumphs, and God's people with It. Nothing can hurt the Truth. It is like an anvil: When the hammers of the adversaries are all worn out, the Anvil will still stand."--Timely Greetings, Vol. 1, (1953 Reprint), No. 29, pages 14,15.

BELIEF IN GOD'S WAYS BRINGS GREAT BLESSINGS

"What a great difference would there have been had the Israelites only believed that God, not Moses, was their Leader, that that which appeared to be their death trap, was their door of hope. Let their experience teach us to remember that God is either leading us altogether or not at all, that His ways are not our ways, and that what may appear to be our greatest obstacle, may actually turn out to be our greatest blessing.

"Israel's real danger, we now see, was not in what Moses did, but in their unbelief of God's having the reins in His hands, in not knowing that His ways are beyond finding out--contrary to ours. They failed to see that God could again perform miracle after miracle to deliver them from their enemy's hand, that He could dry the ocean as easily as He could flood the earth.

"Having their failures before us, we should make them our stepping stones to success....."
--Timely Greetings, Vol. 1, (1953 Reprint), No. 7, p. 6.

"Now is the time to quit fooling ourselves, to make up our minds to wholeheartedly serve the Lord, and Him alone."--Timely Greetings, Vol. 1, (1953 Reprint), No. 5, p. 12.

WHOSE VOICE WILL YOU HEAR?

"The Lord's voice crieth unto the city, and the man of wisdom shall see thy name: hear ye the Rod, and Who hath appointed It. [Mic. 6:9.]

"The Lord declares that His voice is crying to the city (to the church), and that the men of wisdom shall see the name, and shall hear the Rod and Him Who hath appointed It.

"Manifestly, this rod is capable of speaking and of being heard, thus the command 'Hear ye the Rod.' So far as we know, the only rod that has ever spoken is 'THE SHEPHERD'S ROD'. Moreover, it was not the results of any studious searching of the Bible that the book was so named, the author was not familiar with this scripture, nor did he have any understanding of the book of Micah at the time the title 'Shepherd's Rod' was given to the book.

"I for one cannot overlook, neglect, or reject the Lord's counsel in this matter. I must hear the Rod and Him Who has appointed It if I expect to have a home in His Kingdom. I cannot afford to do otherwise, God helping me, for He Himself declares that if I would know how to come before Him, what offering is acceptable to Him, how to do justly, how to love mercy, and how to walk humbly before Him, I must hear the Rod that 'crieth unto the city.'

"Now it is up to all of us individually to decide whether we should hear the voice of man or the Voice of God's Rod. This is now everyone's test, and it must be everyone's concern, for one of these two voices--the voice of man or the Voice of God's Rod,--will determine everyone's destiny either for eternal death or for eternal life."--Timely Greetings, Vol. 1, (1953 Reprint), No. 27, pages 7, 8.

"This Truth to which you are listening today will verily spread throughout the world as fire spreads in stubble. Matters not who attempt to stop God's Truth, I know that all such will stumble and fall and not be found, but that the Truth shall cover the earth."--Timely Greetings, Vol. 1, (1953 Reprint), No. 32, p. 21
