Thank you Brother I am forwarding your message to Brother Trevor.

Happy Sabbath when it comes 😊

Happy Sabbath my dear

Hi Brother Sam,

Brother Trevor says you are welcome to give a study on the Harvest. He will give a study on a subject of his choosing. We need to come to an agreement by 1p.m. today or we will plan on the next available day agreeable to all parties. Thank you.

Sr. Colette for Br. Trevor

Tell Trevor to call me let's talk like men.

On call now.. will respond asap. Ty

Hi Brother Sam,

Brother Trevor just got off the phone call. He says: "6 o'clock okay tomorrow?"

I haven't heard from Trevor is he going to call or send his email for today's meeting?

I'll ask

Br. Trevor says Hi Br. Sam, hope we can get together soon. Would 6pm be okay for tomorrow?

Tell him call me when he is available, for tomorrow never comes.

I will no longer communicate through you.

Brother Trevor said he's sorry about that because he would like tomorrow to come.

I am sorry about that brother God bless you.

Trevor seems to have time to post many slanderous comments online about me but no time to call and speak man to man, instead he is hiding behind you, why is he afraid to call. Are you also posting his comments. I will not visit Bashan hill, let him stop with excuses that he invited me to Bashan hill, he was in Texas as he told me and made no effort to meet with me. Now, like a coward he is hiding behind an appointment secretary. Seems like you don't know his email address either. How can you work for such a coward, a supposed prophet, the successor to the Bashan dynasty? What a travesty, or should I say what

a Trevorcy

I'm so sorry this is your view. I wish there was something I could do to help you. You obviously do not know the man. I'm praying for you. God bless you.

Hi Brother Sam,

If you're not sure you want to talk today, why not take some time and think about things, and let me know when you're ready. If you decide that you want to, please be reminded that I need to know by 1 p.m.

As far as coming to Bashan goes, there is no reason for you not to come for a visit, as we are the mother Association and care about everyone. 🙏🏻🙏🏻

I am ready to talk anytime Trevor has my number or you can give it to him.

Thank you Brother Sam, Brother Trevor is looking forward to meeting with you on the webex when you get time.

I will need his email address and we can meet at 6:00pm today, God willing.

We are happy to have a definite meeting time with you. It is our understanding that originally we were going to meet with three people on your side, Brother Peter Gibbs, his wife and yourself.

Therefore we will have three people on our side; Brother Courtney Guy, Sister Danita Wilkins, and Brother Trevor. We understand that you will choose your topics and go first, and we we will choose our topics and go second.

Brother Trevor wants me to tell you he is looking forward to visiting with you, and he hopes that the meeting will be a help for you. To avoid any last-minute misunderstandings, We what to say clearly that we agree to These Conditions.

To enable me to schedule Brother Trevor and brethren for 6:00, kindly let me know what you think about these things & whether you agree to it.

I never agreed with those plans. My request is to me with your leader alone, and that is what it will be, I am setting up a meeting for Trevor and myself, not Trevor and company. Thanks

I'm so sorry you misunderstood Brother Sam. Brother Peter's plan seems sensible enough to me. Perhaps we should have a written understanding.

You of course, can come to the meeting by yourself if you like.

Just let us know how you want to set up your side. If you would like to be by yourself, that's fine with us. You know our procedure on our side already. 🙏🏻

I am meeting with Trevor alone, you can meet in a group with whoever you like, not with me. Was Trevor's slanderous commentaries a group therapy, or was he writing it on his own? First, he is afraid to talk on the phone, now, he is afraid to meet me alone on WebEx. What a

leader, sounds like Barak, "if thou wilt go with me, then I will go". He says "text me direct. 417.896.4284. Says we will talk on WebEx and we will text on that number.

It is 6:35 and I am still waiting in WebEx for your boss. Any idea how long I should continue to wait?
